

STUDY PLAN – BACHELOR OF HEALTH SCIENCE – COMMENCING 2018

Instructions:

1. In the 'Course Code' column, record or select the courses you have completed (see statement of results on ISIS). Also include courses you are currently enrolled in or intend to enrol in the future (if known).
2. In the 'Course Completed?' column, select 'Yes', 'No' or 'In Progress'. This will provide the unit value.
3. Students in a FDD combined degree only need to complete the required Science units (left table).

Useful Information:

- In a single degree, a maximum of 60 units may come from completion of 1000-level courses.
- As this is a named degree, you are not required to nominate a major/minor/specialisation.
- Program requirements can be found here: <https://programsandcourses.anu.edu.au/2018/program/BHLTH>.
