

STUDY PLAN FOR STUDENTS IN A BACHELOR OF MEDICAL SCIENCE WHO COMMENCED IN 2015 OR 2016

- Insert current enrolment and completed courses (ie. copy and paste from ISIS).
- Populate the form with future/prospective enrolment.
- Students in a combined degree only need to check the 96 units of science to check the MEDICAL SCIENCE component of the program, no non-science courses can count towards BMedSci.
- A maximum of 60 units may come from completion of 1000-level courses.
- Students must achieve a minimum 65% weighted average mark across all compulsory courses undertaken in each period (Summer/First Semester/Autumn and Winter/Second Semester/Spring) in order to continue in the Bachelor of Medical Science.
