

PhB ADVANCED STUDIES EXTENSION (ASE) SUMMARY FORM

Family Name: Given Name: Uni ID:

Semester: Year: Course Code:

ASE Title:

Name of Instructor:

**Brief Project
Summary:**

This description should be similar to a Course Handbook entry. Please contact the PhB Convener if you have any queries completing this section – attach an extra page if necessary.

**ASE Goals or
Student Outcomes:**

*(Including skill
development)*

Assessment details:

Assessment Task	Weighting (%)	Due Date	
Oral Presentation			ASE Component - Weighted at 25% of final grade
Report			
Assignments			
Lab work/Log book			
Coursework	As per course outline		Coursework Component - Weighted at 75% of final grade

Additional details:
(If necessary)

--

Note: An ASE project must be equivalent to approximately 30 hours of work. All standard coursework assessment is undertaken plus an additional load for the ASE. The final course mark will consist of a weighted mean of the two components (75% coursework, 25% ASE project)

Important dates: Final reports and all remaining assessment items are due by the last Friday before the examination period begins.

Approval:

	Name	Signature	Date
PhB Student			
ASE Instructor			

Once your instructor has signed above, please upload this form to the PhB Science Canvas site for approval by the relevant School Discipline Coordinator and the PhB Convener.
