5. Applicant Declaration:

I declare that the information in this application is true and complete. I agree that whilst I am enrolled as a student I am bound by the statutes and standing resolutions of The Australian National University. I also agree to contact the Joint Colleges of Science, Health and Medicine Student Administration Office (via science.enquiries@anu.edu.au) if there are any changes to the details provided in this application.

I understand that the Honours year commences earlier than the official semester start date and confirm that I will be available to commence in the program at this time. Where a late start in the Honours program is unavoidable, students must obtain permission from the School Honours Convener before commencing their application. I also understand that a late start to the program cannot later be used as grounds for an extension.
