

STUDY PLAN – BACHELOR OF ENVIRONMENT & SUSTAINABILITY – COMMENCING 2022 OR LATER

Instructions:

1. In the 'Course Code' column, record or select the courses you have completed (see statement of results on ISIS). Also include courses you are currently enrolled in or intend to enrol in the future (if known).
2. In the 'Course Completed?' column, select 'Yes', 'No' or 'In Progress'. This will provide the unit value.
3. Students in a FDD combined degree only need to complete the required Science units (left table).

Useful Information:

- In a single degree, a maximum of 60 units may come from completion of 1000-level courses.
- A minimum of 30 units must come from completion of 3000-level courses from the [Science course list](#).
- A minimum of 6 units must come from the quantitative research skills courses. This course may contribute towards the major, minor or specialisation requirements.
- As this is a named degree, you are not required to nominate a major/minor/specialisation.
- Program requirements can be found here: <http://programsandcourses.anu.edu.au/program/BENSU>

REQUIRED SCIENCE UNITS (96 minimum)				OTHER SCIENCE OR NON-SCIENCE COURSES (48 units)
